REMARKS/ARGUMENTS

Please amend the specification as noted herein. The title has been amended to remove the word "improved." In addition, two references to Figure 5D have been amended to correct the typographical errors where "5D" should have been "5C". This latter amendment also addresses the apparent omission of Figure 5D from the drawings, as identified in the Notice of Missing Parts mailed on July 19, 2004; however, there is no Fig. 5D. Finally, the sheet containing Figure 19 is resubmitted herein. It has been amended to remove the grid lines present on the sheet. The Applicant believes that no new matter has been added to Fig. 19 by this amendment.

Respectfully submitted,

SHERIDAN ROSS P.C.
